POWERFOAM PLUS - L196

Powerful high foaming traffic film remover

POWERFOAM PLUS is an advanced high foam traffic film remover containing high foam detergents, emulsifiers and soil suspending agents, providing the user with superb cleaning power coupled with ultimate control.

ADVANTAGES

Rich foam clings to surfaces for a longer contact time

Suitable for most vehicle types including commercial vehicles

High concentrated for performance and economy

NTA free

TYPICAL APPLICATIONS

Suitable for most vehicle types, including commercial vehicles. This high foam product clings to surfaces, whilst it penetrates and lifts dirt and grime, providing longer contact times resulting in improved cleaning performance.

The high impact foam action clearly indicates where the product has been applied, ensuring even coverage and reduced waste.

APPLICATION INSTRUCTIONS

PRESSURE WASHER: Can be used directly through the pressure washer using a high foaming system at the final nozzle concentration of 1:30.

Apply from the bottom of the vehicle working upwards.

Allow 5-minute contact time and rinse thoroughly with high-pressure water.

Never allow the product to dry out on paintwork.
