Technical Data Sheet

SHAMPOO & WAX - L055

High foam, high wax vehicle shampoo

A high foam, high wax vehicle shampoo that has been specially developed for the washing of vehicle exteriors providing effective dirt removal. The unique formula combines high foaming surfactants with specially chosen waxes to provide a streak free, high shine finish.

The waxes deposited on the vehicle's paintwork aid run off of water, reducing drying time and improving efficiency.

ADVANTAGES

Cleans and shines in one application

Added shine and streak-free finish

Concentrate for performance and economy

High wax, high foam formula

Suitable for use through brush wash machines

TYPICAL APPLICATIONS

Ideal to use for removing road and traffic film and light greases from cars, vans, lorries, buses, coaches, etc.

Suitable for use through brush wash machines.

APPLICATION INSTRUCTIONS

Dilute up to 1:400 in a bucket with water.

Apply to vehicle exterior with a sponge or soft brush. Rinse off with clean water and leather dry.

Suitable for manual use or through a brushwash machines.
