## Technical Data Sheet

### TAR & GLUE REMOVER - L545

Solvent based tar, oil and adhesive remover

Tar & Glue Remover is a solvent-based tar, oil and adhesive remover. Tar & Glue Remover contains a blend of solvents, providing a rapid means of removing both tar and excess deposits.

#### ADVANTAGES

Removes tar spots, oil and adhesive residues

For interior and exterior use

Excellent degreaser

#### APPLICATION INSTRUCTIONS

Apply Tar & Glue Remover with a cloth. In the first instances, dab effected areas with Tar & Glue Remover, then use slight agitation to dissolve the tar or glue.

Wipe off with a damp cloth or sponge to avoid any damage to paintwork or lacquered surfaces.

Prolonged contact with lacquered surfaces should be avoided as damage may occur. Can damage plastic trim and delicate paintwork, always test a small area first.

MADE IN THE
